

Weekly Newsletter

7th October 2019

Next week from Monday onwards we will be having a **'Soft Start'** at the beginning of the day. Our two other schools in the trust have been starting the day like this for a number of months and have found it to have many benefits. With the Soft Start, at 8.40am, 15 minutes earlier than the official start to the day at 8.55am, children will be able to enter the building and head to their classroom under the supervision of various staff carefully positioned in corridors and staircases. Parents leave the premises once their child has entered the building, and the same rule about parents never being in the building unattended by an adult remains. Whilst the children are heading along corridors, their class teachers will be in classrooms waiting for them and as soon as the children enter the room (once they've greeted the teacher and each other), they'll settle down to some activity while music plays softly in the background. Instead of having the children lining up formally at the start of each day they will be doing something productive prior to the register being taken and having a more relaxed start - no congested lining up and no long lines in corridors on the way to class/assembly! The few minutes spent each morning prior to the registration being taken from 8.55am onwards will prove valuable over time as children practice key skills in what will be a calm, welcoming atmosphere.

In terms of parent/teacher communication in the mornings, we have always encouraged dialogue to take place after the school day has ended as there is more time to devote to it at that time of the day, and this approach will not change. Should a parent wish to send an urgent message to the teacher in the morning, this will be done through the main office using the communication book and box. Messages and any items (forgotten lunch boxes/PE kit etc) are sent around to class teachers from this box at two times of the day, as explained in a previous school newsletter in September.

Y1-3 children coming in for the Soft Start will enter the building through the blue door beside Y1Attlee (to the right of the gym) and **Y4-6** will enter through the gym door. In both cases, the children will then walk to their classes along the same route each day, supervised by smiling adults as they proceed through the school. Any children arriving at 8.55am, still our official start time, will walk to class in the same way through the same Soft Start entrances, as described above. Formal registration takes place at 8.55am, so any child not arriving until that time won't be marked in as 'late'.

The Soft Start is a trial that will be evaluated after a period of time to see how beneficial it proves. We hope that it will add a warm and more enjoyable start to the day for the children and look forward to its launch on Monday.

School Photos

Apologies for the cancellation of our individual photos last week. We have now re-booked, and the photographers will be returning on 7th November. We are unable to take pictures with younger or older siblings who do not attend St Marys.

School Uniform

School uniform can be bought from the Victoria 2 School shop (near McDonald's on Hoe Street) or ordered on line via Mapac. If you order on line, uniform is delivered to school.

Whole School Attendance

The whole school attendance target is 96.5%. Last week we achieved 96.7% and since September, attendance has been 96.9%.

Attendance and Punctuality Winner

Well done to 1 Attlee who had a perfect 100% attendance last week, for the second week running. Well done! They were joined by 4 Attlee who also achieved 100% attendance. Well done in particular to Reception Attlee, 2Wilson, 3Attlee, 4Wilson, 6Attlee and 6Wilson who had a perfect 100% punctuality record.
