Dear Parents and Carers

GRENFELL TOWER APPEAL

We have all been shocked and saddened by the catastrophic events of last week with the Grenfell Tower fire. So many people have been left devastated by the events and even though most of us are not directly affected, the shock and sadness continues to be on all our minds.

As you will have seen in the news, Londoners rallied round with amazing contributions of material goods – so much so that the collection centres have asked people to stop donating, as they just don't have the space to collate and distribute everything. The British Red Cross have asked those who still want to help, to make a monetary donation.

With this in mind, we would like to do our bit to help and so will be holding a non-uniform day next Thursday, 29th June. We would ask for our usual donation of £1 which we will then donate to the British Red Cross London Fire Relief Fund. We have always been amazed by your generosity for various causes we have supported in the past, and want to thank you for the generosity you have always shown to those in need.
