Dear Parent and Carer,

**RE: Open Days**

We were delighted that so many parents and carers were able to join us last year during our Open day sessions to see how well the children were learning in their classrooms. This year we are again throwing our doors open during class times and we would like to invite you to come and see how children continue to learn so well at St Mary's.

This year, we would like to showcase our wonderfully rich curriculum and will, therefore, be inviting you to enjoy our afternoon lessons. During the afternoon, you will be able to experience a foundation subject lesson with your child's class. This will be a great opportunity to see how our teachers captivate the children's imagination and interest. The session will be rounded off with a tour of our wonderful school followed by refreshments. There's space for six adults per class, so please help us to organise this exciting event by indicating on the table overleaf when you would like to come and join us. Please indicate which afternoon you are able to make. If you are flexible on these days please tick both. We kindly request, that you refrain from bringing younger children along with you in order to ensure minimum disruption to the children's lessons. Please indicate on the slip below if you are able to join us for the Open Week. Please hand in your slip to the school office by 9<sup>th</sup> February. As soon as we have the first replies in, we will contact you to confirm your place. We are looking forward hearing from you.

Yours sincerely

Jenni Matthews
