1. INTRODUCTION

This policy sets out the framework of Genesis Education Trust's Church of England Primary Schools for making decisions on teachers' pay.

It has been developed to comply with current legislation, the requirements of the School Teachers' Pay and Conditions Document (STPCD) 2022 and has been consulted on with staff and/or the recognised trade unions.

The Local Governing Body has a statutory responsibility for making decisions on pay and for reviewing school leadership and teachers' salaries annually. The Genesis Education Trust ('The Trust') has a responsibility for approving the Trust's Pay Policy.

The Pay Policy will also work in conjunction with the Trust's appraisal policy, Schools' Improvement Plans, and other rules and expected standards of performance which are advised and communicated to employees.

In this Policy "School" means all of our schools with the Trust.

2. OUR OVERRIDING PURPOSE

Our aim is for all teaching in all lessons by all teachers in our schools to be good or outstanding to ensure the best possible education for all our pupils. This policy supports that aim by:

- supporting the recruitment and retention of a high quality teacher workforce
- recognising and rewarding teachers appropriately for their contribution to the school
- ensuring that decisions on pay are managed in a fair, just and transparent way
- focusing on the central importance of high quality teaching and learning, improving standards and making a positive impact on pupil progress and outcomes.

This policy refers to the **Teachers' Standards**. By way of a reminder, Part I of the Standards requires a teacher to:

- Set high expectations which inspire, motivate and challenge pupils;
- Promote good progress and outcomes by pupils;
- Demonstrate good subject and curriculum knowledge;
- Plan and teach well-structured lessons;
- Adapt teaching to respond to the strengths and needs of all pupils;
- Make accurate and productive use of assessment;
- Manage behaviour effectively to ensure a good and safe learning environment; and
- Fulfil wider professional responsibilities;

Part II of the Standards requires a teacher to:

- demonstrate consistently high standards of personal and professional conduct;
- uphold public trust in the profession and maintaining high standards of ethics and behaviour, within and outside school, by:
 - treating pupils with dignity, building relationships rooted in mutual respect, and at all times observing proper boundaries appropriate to a teacher's professional position;
 - having regard for the need to safeguard pupils' well-being, in accordance with statutory provisions;
 - showing tolerance of and respect for the rights of others;

- not undermining fundamental British values, including democracy, the rule of law, individual liberty and mutual respect, and tolerance of those with different faiths and beliefs;
- ensuring that personal beliefs are not expressed in ways which exploit pupils' vulnerability or might lead them to break the law.
- have proper and professional regard for the ethos, policies and practices of the school in which they teach, and maintain high standards in their own attendance and punctuality; and
- have an understanding of, and always act within, the statutory frameworks which set out their professional duties and responsibilities.

3. AIMS OF THE POLICY

The Trust seeks to provide for both pupils and staff an environment in which all people are valued. The Local Governing Body will seek to ensure fairness and equity for all staff and to fulfil its statutory and other responsibilities as a good employer.

The Pay Policy will assist the Local Governing Body in seeking to ensure that all staff receive proper recognition for their work and are properly rewarded for their contributions to school life, including support and encouragement to continue in their work.

The Local Governing Body aims to:

- Maintain and improve the quality of education offered by the school by having a Pay Policy, which supports the school's overall aims and priorities as stated in the school development plan;
- Balance the competing demands made on the school's limited budget so that its needs are addressed as effectively as possible;
- Apply the school's performance management processes to support teachers' professional development. Performance management objectives will be set in accordance with that intention;
- Manage its Pay Policy in a fair, reasonable and open manner and consult with staff and trades union representatives within the school when any change or review of the policy is undertaken;
- Keep the Pay Policy broadly in line with that of other local schools and in accordance with the government's initiatives around workforce reform;
- Avoid direct or indirect discrimination in particular on the grounds of age, disability, gender, marital status, sexual orientation, race, colour, religion, nationality, ethnic or racial origins;
- This Pay Policy complies with The Employment Rights Act 1996, The Employment Relations Act 1999, the Employment Act 2002, The Equality Act 2010, The Part-Time Workers (Prevention of Less Favourable Treatment) Regulations 2000, The Employment Act 2002 (Dispute Resolution) Regulations, The Fixed Term Employees (Prevention of Less Favourable Treatment) Regulations 2002, The Employment Equality (Age) Regulations 2006 (section 6 and 8).

4. Pay Policy responsibility

The Genesis Education Trust Board is the 'relevant body' as set out in the Trust's Scheme of Delegation and is in line with the School Teachers' Pay and Conditions Document. The Board has approved the application of percentage increases to all referential pay points for the relevant pay

range, in line with the trade unions. It will establish and update a Pay Policy and see that it is carried out fairly and consistently and approve the overall pay structure of all staff.

The Local Governing Body will determine the annual pay budget on the recommendation of the Lead Finance Governor. The Local Governing Body has delegated its pay powers to the Group in accordance with the Education (School Government) (England) Regulations 1999.

The Chair of this group (headteacher's performance management) is not employed at the school. All members of the Group will treat as confidential any information, discussions or recommendations of the group. All pay-related decisions taken by the group will take full account of the School Development Plan.

The group may be attended by the CEO/Executive Head Teacher in an advisory capacity. Where the Group has invited either a representative of the Board or an External Adviser to attend and offer advice that person will withdraw while the group reaches its decision.

5. Equal Opportunities

The Local Governing Body seeks to provide equal employment opportunities for all staff. The Local Governing Body will comply with all relevant employment and equalities legislation and regulations at all times.

An Equality Impact Assessment (EIA) may be undertaken to ensure that the application of the policy does not disadvantage any particular group with a protected characteristic(s) as defined by the Equality Act 2010.

6. Contracts of Employment

Contracts or letters of appointment will be provided for all staff by the Local Governing Body. The written statement of particulars will state the grade and salary of the post and other financial entitlements of the post holder.

7. Salary Sacrifice Schemes

All staff are entitled to benefit from a salary sacrifice arrangement, whereby they opt to give up the right to receive part of their gross salary in return for the employer's agreement to provide them with benefit-in-kind, which is pensionable but exempt from income tax.

The following schemes are currently available:

- Child Care Voucher Scheme
- Bicycle Scheme
- Other schemes as identified by School/employer

SECTION ONE – SUPPORT STAFF

8. Pay and Conditions

The Local Governing Body will apply the national (the National Joint Council for Local Government Services National Agreement on Pay and Conditions of Service Green Book) and locally agreed conditions of service. The Local Governing Body will ensure that support staff are paid on scales that mirror the relevant LA, taking into account LA agreements for specific groups of staff

9. Starting Salary point

The actual pay point within the salary range for each newly appointed employee will be at the minimum spinal column point (scp) of the grade unless:

- The person appointed is an existing employee of The Genesis Education Trust and the employee is being redeployed. Please refer to the Organisation Change & Redundancy Policy.
- The person appointed is not currently paid on a salary range assessed in accordance with the salary policy of the relevant LA, in which case a starting salary point above the minimum of the range may be agreed by the Head Teacher/Head of School/Executive Head in exceptional circumstances, taking into account the difficulty in recruiting to the post and the newly appointed employee's current actual pay and recent relevant experience and qualifications

10.0 Authorising and paying for working additional hours

The total number of hours of work for all support staff will be determined at the time of appointment.

Where staff work additional hours, with the prior agreement of the Head Teacher/Head of School/Executive Head, additional payment or time off in lieu will be arranged.

11. Rewarding additional duties/honoraria

The school recognises that there may be a need for support staff to take on additional duties where a vacancy exists, during periods of absence, leave or reorganisation or because project work beyond normal requirements has to be undertaken.

12. Appeals

Support staff may seek a review of any pay determination where they believe:

- The job profile has been inaccurately assessed against the criteria and factor levels of the Job Evaluation Scheme.
- Nationally or locally agreed terms and conditions have been incorrectly applied.

The member of staff will be given the opportunity to make representations in person. Any member of staff appealing has the right to see all relevant papers and to be accompanied by a workplace colleague or trade union representative.

The Local Governing Body will convene an appeals panel of at least 3 Governors, who were not involved in the original determination and who are not otherwise excluded by virtue of regulation 57 or Schedule 6 of the School Government Regulations, normally within 20 working days following receipt of the completed Appeal pro-forma. The member of staff and the line manager will be given the opportunity to make representations in person.

The decision of the appeal panel will be given in writing. The decision of the appeal panel is final.

SECTION TWO – LEADERSHIP GROUP PAY

13. Leadership Pay Determinations effective from September 2022

The following will apply to individuals appointed to a leadership post on or after 1st September 2014 or whose responsibilities have significantly changed or if the school's Head Teacher group changes. However, the Local Governing Body may choose to review the pay of all leadership posts under these new arrangements, if they determine that this is required to maintain consistency with pay arrangements for new appointments to the leadership team made on or after 1st September 2014.

The maximum of the Deputy or Assistant Headteacher pay range must not exceed the maximum of the Head Teacher group for the school, calculated in accordance with paragraphs 6 to 9 of STPCD 2022. The pay range for a Deputy or Assistant Head Teacher should only overlap the Head teacher's pay range in exceptional circumstances.

14. School Head Teacher Group

The Local Governing Body will first determine the Head Teacher group of the school by reference to the formula set out in the School Teachers Pay and Conditions (STPC) document (paragraph 6.1 for ordinary schools or paragraph 7.1 of STPC document for special schools).

The relevant body must determine pay ranges for the Head Teacher and for Deputy Head Teachers and Assistant Head Teachers in accordance with paragraphs 9.2 to 9.4 of STPC document.

When determining an appropriate pay range, the relevant body must take into account all of the permanent responsibilities of the role, any challenges that are specific to the role, and all other relevant considerations. In the case of a new appointment, the relevant body may wish to consider whether the requirements of the post and the extent to which the preferred candidate meets those requirements are such that it would be appropriate to set the starting salary above the minimum of the relevant Head Teacher group. The relevant body must ensure that there is appropriate scope within the range to allow for performance related progress over time.

Pay ranges for Head Teachers should not normally exceed the maximum of the Head Teacher group. However, the Head Teacher's pay range (where determined on or after 1 September 2014) may exceed the maximum where the relevant body determines that circumstances specific to the role or candidate warrant a higher than normal payment. The relevant body must ensure that the maximum of the Head Teacher's pay range and any additional payments made under paragraph 10 does not exceed the maximum of the Head teacher group by more than 25% other than in exceptional circumstances; in such circumstances, the Local Governing Body must seek competent external independent advice before providing such agreement and support its decision with a business case.

14.2 Salary Ranges

The salary ranges are determined according to a three step process.

The Governing Body will determine the pay range of any leadership post, Headteacher, Deputy or Assistant, in accordance with the "Document" paragraph 9.

When determining a leadership pay range the Local Governing Body will take into account the following:

- The permanent responsibilities of the role
- Any challenges that are specific to the role
- All other relevant considerations

The Local Governing Body will also ensure when setting a pay range that there is sufficient scope to allow for performance related progression over time.

The Leadership pay ranges are as follows:

- Lead Practitioner : L1 – L7
- Assistant Headteacher: L7 – L11
- Deputy Headteacher: L11 – L15
- Head of School : L16 – L20
- Headteacher: L20 – L26
- Executive Principal : L28 – L32

14.3 Executive Head Teacher's Performance

At the beginning of each academic year the Local Governing Body will appoint The Chair of Governors and two other Governors to carry out and agree performance objectives with the Executive Head Teacher. The governors will appoint an external adviser to provide independent advice. The performance objectives will reflect priorities identified in the school's development plan.

The performance review will be conducted in accordance with the school's Appraisal policy.

In the second half of the Autumn term of each year, (or where determined differently by the Local Governing Body , in the half term immediately prior to the anniversary of the setting of the performance criteria), the Chair of Governors will receive recommendations from the delegated governors about the salary of the Executive Head teacher. The recommendation shall reflect the delegated governors' views based on the outcomes of the annual performance review and the Chair of Governors view of the Executive Head teacher's overall performance during the year. Any recommendation for movement up the ISR, on which the Executive Head Teacher is currently paid, may only be by one or two points in any one annual review.

The recommendation for the Executive Head Teacher will be made by the Local Governing Body. The increase can be up to 2 points on the ISR. The Local Governing Body will consider the recommendation and make its decision known to the Executive Head Teacher in writing on the appropriate salary assessment form.

If the Executive Head Teacher wishes to appeal against the decision of the Local Governing Body regarding his/her pay, s/he may appeal to the Finance Appeals Panel (LGB) as referred to in this policy.

The appointed governors are aware of their duty to set performance objectives in default of agreement with the Executive Head Teacher. This power will only be exercised as a last resort after the appeal procedure has been exhausted. The general appeals procedure will apply. The Executive Head is entitled to submit a written statement, commenting on any objectives set, which will be taken into account at the time of the review.

If the employee is dissatisfied with the pay decision after the review they may appeal within 5 working days of the review decision, in accordance with 3.1 above. An appeal hearing will be heard within 15 working days of the appeal. The employee may be accompanied by a co-worker or accredited trade union representative. The appeal decision is final.

20. Pay Award 2022

From 1st September 2022 a 5% increase will be applied to all pay and allowance ranges and advisory points, with higher increases to some parts of the Main Pay Range as a step towards achieving a minimum starting salary of £30,000.

3.

23. Pay Reviews

All teachers can expect to receive regular, constructive feedback on their performance and are subject to annual appraisal that recognises their strengths, informs plans for their future

development, and helps to enhance their professional practice. The arrangements for teacher appraisal are set out in the School's Teacher Appraisal Policy.

The Local Governing Body will ensure that every teacher's salary is reviewed with effect from **1 September** and no later than **31 October** (except in the case of the Executive Head Teacher where this will be no later than **31 December**) each year and give them a written statement setting out their salary and any other financial benefits to which they are entitled.

Reviews may take place at other times during the year to reflect any changes in circumstances or job description that lead to a change in the basis of an individual's pay. A written statement will be given after any review and where applicable will provide information about the basis on which it was made.

Where a pay determination leads or may lead to the start of a period of safeguarding, the Local Governing Body will give the required notification as soon as possible and no later than one month after the date of determination.

Decisions will be communicated to staff by the Head teacher, in writing, in accordance with paragraph 3.4 of the STPCD 2022.

Decisions on the pay of the Executive Head will be communicated by the chair of the Local Governing Body, in writing in accordance with paragraph 3.4 of the STPCD 2022.

24. Appeal

A teacher may seek a review of any determination in relation to their pay or any other decision taken by the relevant body (Governing Body or individual acting with delegated authority) that affects their pay.

The following list is not exhaustive, but illustrates some of the grounds for seeking a review of a pay determination:

- a) The incorrect application of any provision of the STPCD 2022;
- b) Failure to have proper regard for statutory guidance;
- c) Failure to take proper account of relevant evidence;
- d) Taking account of irrelevant or inaccurate evidence;
- e) Evidence of unlawful discrimination or bias against the teacher; and
- f) Incorrect application of the School's Pay Policy

The teacher will be given the opportunity to make representations in person. Any member of staff appealing has the right to see all relevant papers and to be accompanied by a trade union representative or workplace colleague.

The decision of the review will be given in writing, and will include a note of the evidence considered and the reasons for the decision. The decision of the reviewer will be final.

Teachers cannot use this process to appeal against their performance management assessment. The process of appeal against their performance rating is contained within the Trust's adopted Appraisal Policy and Procedure.

25. Basic Pay Determination on Appointment

The Local Governing Body will not restrict the pay range or starting salary for a vacancy prior to advertising it other than the minimum of the main pay range and the maximum of the upper pay range.).

The school is committed to the principle of pay portability and will apply this principle in practice when making all new appointments. The school recognises that there are flexibilities allowed for within the School Teachers Pay and Conditions Document that individual teachers may wish to exercise.

26. Pay Progression Based on Performance

All members of the teaching staff are required to participate in arrangements made for appraisal reviews in accordance with their conditions of employment and the Education (School Teacher Appraisal) (England) Regulations 2012 and the school's Appraisal Policy.

The school's appraisal processes are intended to support teachers' professional development to secure rapid and sustained progress in pupil outcomes. Appraisal objectives will be set in accordance with that intention and to take account of the school's targets as defined in the school development plan.

In this school all teachers can expect to receive regular, constructive feedback on their performance and are subject to annual appraisal that recognises their strengths, informs plans for their future development, and helps to enhance their professional practice. The arrangements for teacher appraisal are set out in the school's Appraisal Policy and Procedure.

A teacher will **only** progress one point on the Main Pay Range if all of the following conditions are met in relation to the appraisal cycle:

- The teacher has fully met all the Teachers' Standards
- The teacher has substantially or significantly met all objectives set for the appraisal cycle
- The teacher has delivered teaching which is at least consistently good or better in the light of all evidence
- The teacher has brought about expected levels of pupil progress
- The teacher has not been issued with a formal warning under either the disciplinary or capability process (not overturned on appeal) during the appraisal cycle.

A teacher who has not met all of these conditions will not be entitled to an incremental pay award on the Main Pay Range.

Decisions regarding pay progression will be made with reference to the teacher's appraisal reports and the pay recommendations they contain. In the case of ECTs, whose appraisal arrangements are different, pay decisions will be made by means of the statutory induction process. If concerns have been raised and managed during the appraisal process and satisfactory and sustained improvement has not been made the induction will not be passed.

To be fair and transparent, assessments of performance will be properly rooted in evidence. Please refer to the relevant section in the School's adopted Appraisal Policy and Procedure.

The evidence the school will use is referred to in the relevant section of the School's adopted Appraisal Policy and Procedure.

Head Teachers' appraisal reports will contain pay recommendations. Final decisions about whether or not to accept a pay recommendation will be made by the Local Governing Body, having regard to the appraisal report and taking into account advice from the Executive Head teacher. The Local Governing Body will consider its approach in the light of the school's budget and ensure that appropriate funding is allocated for pay progression for all eligible staff.

If the employee has exceeded the agreed objectives, the school also has the discretion to award up to one additional reference point where they consider a teacher's performance, particularly in raising pupil standards and classroom teaching, as exceptional.

The pay scale for classroom teacher posts paid on the Main pay range from September 2022 can be found at Appendix 1.

27. Teachers Paid a Safeguarded Sum

The Local Governing Body will apply the safeguarding provisions for the current document. Where a determination leads or may lead to the start of a period of safeguarding, the required notification will be given as soon as possible and no later than one month after the determination.

28. Unqualified Teacher's Pay

An unqualified teacher is either a trainee working towards qualified teacher status, an overseas trained teacher who has not exceeded the four years they are allowed without obtaining qualified teacher status, or an instructor with a particular skill.

The pay scale for unqualified teacher posts paid on this range from September 2022 can be found in Appendix 1.

29 Unqualified Teacher Pay Range

Decisions regarding pay progression will be made annually with reference to the most recent appraisal report. Decisions not to progress up the pay spine will be made in circumstances where concerns about standards of performance have been raised as part of the appraisal process and have not been sufficiently addressed through support provided by the school by the conclusion of that process.

Any pay point awarded to unqualified teachers are permanent, while the teacher remains in the same post or takes up a new one at this school.

30. Application to be paid on the Upper Pay Range

Qualified teachers may apply to be paid on the upper pay range at least once a year. The Headteacher shall assess applications and make a decision, in line with the school pay policy on whether the teacher meets the criteria in paragraph 15.2 of "The Document". Where a teacher is subject to the 2011 Regulations or the 2012 Regulations, the Governing Body shall have regard to the assessments and recommendations in the teacher's appraisal reports under those regulations.

An application from a qualified teacher will be successful where the school is satisfied

- That the teacher is highly competent in all elements of the relevant standards; and
- That the teacher's achievements and contribution to an educational setting or settings are substantial and sustained

1. All applications submitted to the Headteacher should include the results of the two most recent appraisal reviews, including any recommendation on pay, Where such information is not applicable or available, e.g. those returning from maternity or sickness absence,

a written statement and summary of evidence, from a three year period, designed to demonstrate that the applicant has met the assessment criteria must be submitted by the applicant.

Progression will be agreed where the outcomes of these appraisals confirm that the teacher's performance over at least two academic years in this school has had significant and sustained impact on raising pupil standards, whole school performance and their performance has been in line with the expectations contained within the school's adopted Appraisal Policy.

2. A recommendation will be made by the Headteacher or appropriate senior leader and a decision passed by the appropriate Pay Committee normally no later than **31 December**, but in all cases by 31 March. Salaries will then be backdated to **1 September**.

3.

4. If a teacher is simultaneously employed at another school(s), they may submit separate applications if they wish to apply to be paid on the upper pay range in that school or schools. This school will not be bound by any pay decision made by another school.

31. Applications and Evidence

Any qualified teacher may apply to be paid on the Upper Pay Range/scale and any such application must be assessed in line with this policy. It is the responsibility of the teacher to decide whether or not they wish to apply to be paid on the Upper Pay Range/scale.

The headteacher will notify all teachers on Scale Points 5 and 6 of the Main Pay Range/Scale at the start of each school year of their eligibility to apply for assessment. Applications may be made once a year. Where teachers wish to be assessed, they should notify their appraiser in writing. The teacher's application will be appended to their appraisal planning statement. The Evidence be used will be only that available through the appraisal process.

If a teacher is simultaneously employed at another school(s), they may submit separate applications if they wish to apply to be paid on the Upper Pay Range/Scale in that school or schools. This school will not be bound by any pay decision made by another school

Teachers wishing to apply for progression to the Upper Pay Range should apply to the Headteacher no later than **31 October**.

The process for application and for assessing these are set out in Appendix 2.

32 Pay Progression within the Upper Pay Range

New arrangements for gaining access to the upper pay range came into effect on 1 September 2013. The arrangements apply to teachers in England and Wales irrespective of whether they are subject to the 2011 regulations, the 2012 regulations or neither. All members of the teaching staff are required to participate in arrangements made for performance management reviews in accordance with their conditions of employment and the Education (School Teacher Appraisal) (England) Regulations 2012 and the schools adopted Appraisal Policy.

The school's appraisal processes are intended to support teachers' professional development and to ensure rapid and sustained progress in pupil outcomes. Appraisal objectives will be set in accordance with that intention. All teachers who satisfy the criteria for progression to the next level will progress.

33. The Assessment

An application from a qualified teacher will be successful where the Local Governing Body is satisfied that:

The teacher is highly competent in all elements of the relevant standards;

- 'highly competent' means performance which is not only good but also good enough to provide good quality coaching and mentoring to other teachers, give advice to them, demonstrate to them effective teaching practice and how to make a wider contribution to the work of the school, in order to help them meet the relevant standards and further develop their teaching practice.

And

The teacher's achievements and contribution to the school are substantial and sustained.

- 'substantial' means of real importance, validity or value to the school; play a critical role in the life of the school; provide a role model for teaching and learning; make a distinctive contribution to the raising of pupil standards; take advantage of appropriate opportunities for professional development and use the outcomes effectively to improve quality of pupils' learning; and
- 'sustained' means maintained continuously over the previous 2 academic years and demonstrated by an overall outstanding or consistently very good level of teaching and learning in the appraisals for the 2 years immediately preceding the application for assessment. A lesser period of time can be considered in situations such as maternity or long-term sickness. If a teacher is working on a part-time basis, the period of time remains 2 years and is not lengthened on a pro rata basis.

The application will be initially assessed by the Head teacher or a leader in the school to whom the head has delegated that role. If this role is delegated the leader will then make a recommendation to the Head teacher. The head teacher will follow Section 15 and present to the Local Governing Body so that they can make the final determination.

34 Processes and procedures

In addition, before awarding a TLR1, the relevant body must be satisfied that the sustained, additional responsibility referred to in paragraph 20.1 of the STPCD 2020 includes line management responsibility for a significant number of people.

The responsibility or package of responsibilities for which a TLR1 or TLR2 is awarded will be clearly set out in the job description of the post holder.
